To: Clerk,

Please find attached an application for extension of time to answer under Local Civil Rule 6.1(b); Order and a copy of the Complaint filed. As stated in the application, service of process was effected on February 15, 2011 by mail. The time to reply expires on March 11, 2011.

Our Firm will be participating in an upcoming class to become e-filed equipped. Please except our hand delivery of this application for this one time only.

Our firm was just contacted by defendants regarding the aforementioned matter. The firm requires time to review the lengthy complaint and several complex issues in this matter.

We are requesting that the 14 day extension be granted on this matter.
